MEET

Distinguished by its impeccable architectural landscape and prestigious gardens, the Arizona Biltmore, A Waldorf Astoria Resort is a scenic desert retreat nestled at the foot of the Phoenix Mountain Preserve. With a rich history of opulence and charm, the Biltmore has continued to provide its clientele with unparalleled service since its 1929 opening celebration.

Over 200,000 square feet of indoor and outdoor event space is supported by a team of event, culinary and banquet service professionals that ensure every event is executed with precision and grace. The Biltmore offers unique historical event spaces such as the Gold Room, the resort’s original main dining room, or the Aztec Room, which served as a venue for movie premieres in the hotel’s early days. The two largest ballrooms, named after the architect and his mentor, both received complete renovations and technical upgrades in the summer of 2014. The Arizona Biltmore’s outdoor function spaces include manicured lawns, lush gardens, sparkling fountains and ambient terraces for gatherings of all sizes and occasions.

EAT

Frank & Albert’s artfully marries local cuisine with legendary architecture inspired by Frank Lloyd Wright and Albert Chase McArthur. Breakfast, lunch and dinner wait to be savored by those who appreciate inventive cuisine that demonstrates a fresh approach to traditional American dishes.

Wright’s at the Biltmore is the signature dining venue offering fresh cuisine that reflects an innovative culinary style characterized by fresh, local ingredients that are hearty, yet simply elegant. Our chefs use the freshest ingredients from boutique farms across the country – including herbs from the Chef’s garden outside the dining room.

The Cabana Club, a poolside restaurant and swim-up bar, offers a variety of light salads, seafood and specialty sandwiches, kids’ menu and desserts.

The Café features an array of international beverages combined with a ‘deli-style’ breakfast and lunch menu. The outdoor terrace affords magnificent views of the mountains.

The award-winning culinary team at the historic Arizona Biltmore, led by Executive Chef Stephen Strickland, will create authentic moments in an inspirational environment. Whether plated, buffet or interactive dining, the team at the Biltmore will tantalize your sense of taste. Let us develop a custom dining experience for your event.
STAY
The Arizona Biltmore shines brighter than ever following a grand restoration and sophisticated redesign of guestrooms and suites featuring a contemporary new look that recalls the seductive style of the resort’s early years. A color palette of mist, linen and latte give the Paradise, Garden, Valley, Cottage and Terrace Court accommodations a cheerful ambience juxtaposed with warm woods that emulate the soothing tones of the surrounding desert. Ocatilla, a private sanctuary in the heart of the Arizona Biltmore hotel, commands its own private check-in experience, lounge and pool. Whether it’s a classic room or a Villa Suite, the Arizona Biltmore provides an unmatched blend of style, elegance and comfort.

PLAY
With its distinctive Frank Lloyd Wright-inspired architecture, 92-foot waterslide, eight pools, six tennis courts, two 18-hole golf courses and various hiking trails, this 39-acre property offers recreation and exploration. Alternately, Spa Biltmore strives to inspire wellness with its restorative and hydrating treatments. This 22,000 square foot European-style facility was designed to influence health and well-being through the power of touch and authentic engagement.
